

St Peters Riparian Planting

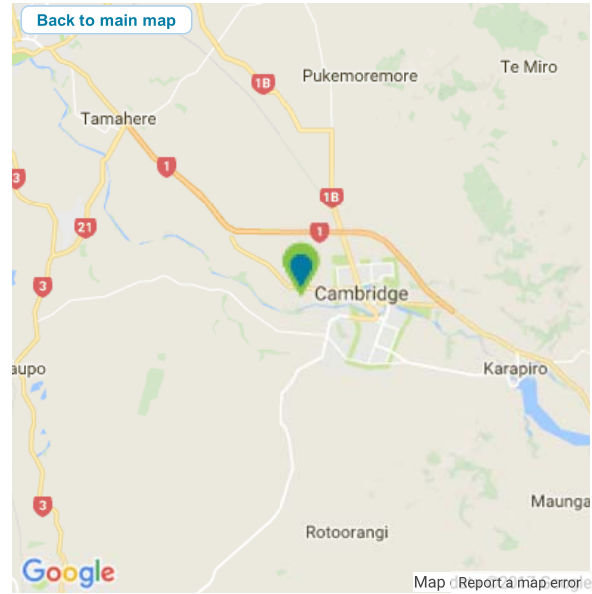

Keri Thompson
078893985 / 0275228158

This project is a continuation of riparian planting undertaken by St Peter's Cambridge in association with the Ngāti Hauā Mahi Trust (NHMT).

This is a two year follow-on project from the WRA14-023 which was undertaken by the school and the Ngāti Hauā Mahi Trust (NHMT). The St Peters Riparian and Wetland Restoration Project' consists of wetland restoration works (Compartment A, B, and C), and riparian margin planting (Compartment B, C). The site is located on retired ex-farm land. WRA 15-032.
