Installation of interpretive signs and information at sites of significance for Ngati Tahu - Ngati Whaoa on the Waikato River.

Installation of Kohatu and IPOU at sites of significance to Ngati Tahu-Ngati Whaoa to share cultural and historic information for Te Awa o Waikato within the Ngati Tahu-Ngati Whaoa rohe. This project will enable reconnection with key river sites for Ngati Tahu-Ngati Whaoa iwi and enable the sharing of this information with visitors and the general public to appreciate and reconnect to the awa and its rich cultural history. We hope this project will assist in establishing awareness and understanding of the awa that fosters a desire in others to value and care for this taonga. WRA 15-016
