"Collectively the CNI Iwi represent over 110,000 people"

The Land

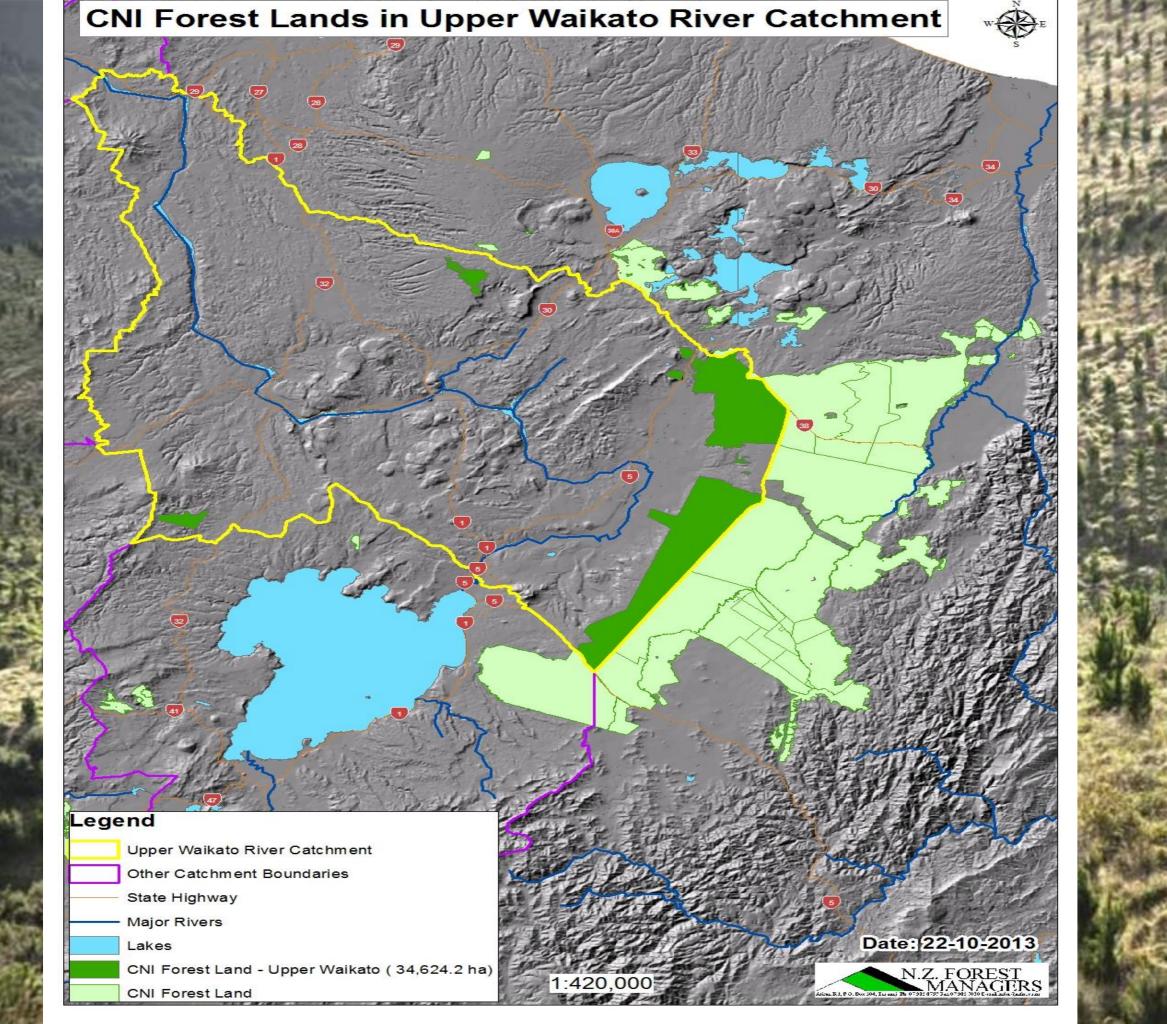

In June 2009 the 8 lwi received 176,000ha of Central North Island Forest land.

Land returned is leased under Crown Forestry Licenses i.e. Committed to 35 years Forestry.

Mostly the Kaingaroa forest and smaller satellite forests.

Circa 40,000 Hectares within the Waikato River Catchment

CNI Iwi Holdings Ltd

Is governed by a Board of 16 Directors (2 directors per Iwi)

CNIIHL holds and manages the land until 2043.

Outsources land management to their own subsidiary company, CNI lwi Land Management Ltd.

Has formal processes to receive and distribute circa 15 Million dollars of revenue flowing from the land to the shareholders.

Has developed a forest access policy for beneficial owners in partnership with Timberlands.

The CNI Iwi Collective:

The 8 lwi of the Collective receive annual income from the Trust and utilise this putea for Social, Cultural and Economic projects .

Five of the lwi have completed treaty settlements with the Crown.

Three of the CNI Iwi Collective are in the process of negotiating their settlements with the Crown.

Challenges

Completing the Mana Whenua process and finalising all aspects of the Final allocation agreement.

To maximise wealth through operating a successful commercial business, respectful of tikanga and the environment.

To manage the land and opportunities for current and future generations.

Crown Forest Licenses- locked into forestry for 35years

To unlock the potential of the land as a component of future-proofing wealth creation and stability for our beneficiaries.

Aspirations

Create a future for our people where opportunities abound and we have a thriving, happy, prosperous community.* Maximising our primary industry and natural resources.*

To grow and build a prosperous future for our mokopuna.*

Deliver intergenerational assets and income.

Achieving best practice in all our dealings and relationships.

Working with long term partners who can add value.

Keeping the land collectively owned
